

# EUREKA REVIEW

## THS CHEERLEADER TAKE 1st PLACE AT STATE FOR 1A SCHOOLS

On January 17<sup>th</sup>, the Tintic High School cheerleaders competed in their first ever competition at Southern Region Cheer at Salem Hills High School. They competed in the All Girls Varsity Show category which meant that they had to dance, cheer, do tumbling, do jumps, and stunts all in less than 2 ½ minutes. This was no easy feat! They worked hard and did everything they could to do their best. They practiced at home games

next smallest had 10. Most squads had 30. They not only represented THS well, they took home 1A All Girl Varsity State Title. Morgan Underwood was also the only 1A senior in the state to make Academic All State. Olivia Thornock shined in the 1A jump off and took 1<sup>st</sup> place!

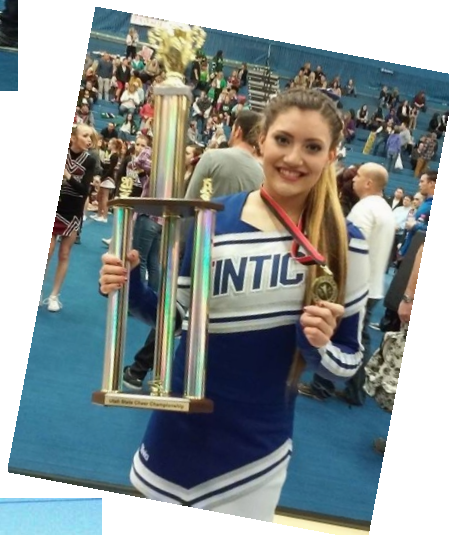

They received a ton of support throughout their competition season. Superintendent Hughes and Principal Thornock were at both competitions cheering them on, along

with home crowds and had some things they needed to work on, but at competition they went out and shined! They were energetic, dynamic, and precise! They took home the region champion trophy in their category and moved onto state!

They continued to work hard on their routine

with all their parents and families. Principal Kramer arranged for them to get flowers before region cheer to wish them well and was their biggest fan at state cheer! The student council gave them candy bars and signs on their lockers before region cheer and gave them an awesome pep assembly before state cheer! They had

fixing areas the judges said they needed to improve all while cheering for both boys and girls basketball which meant they usually had 4 games a week along with fitting in practice for competition!

On January 31<sup>st</sup>, they went to Salt Lake Community College and amazed the crowds again with their awesome routine! They were the smallest squad there with only 5 girls. The

amazing crowds of community members, teachers, and students at both competitions. The fire department escorted them with lights and sirens all around Eureka and many people came out to wave and tell them congratulations when they arrived home after state. We can't thank everyone enough for all the support given to our THS Cheerleaders!!!

## MAYOR'S NOTE

I recently spent the day with Bryan Kessinger who works for the Department of Workforce Services. Bryan is a Development specialist and is interested in training people to start their own businesses in Eureka. He has been made aware of the business opportunities that will become available as the restoration work is moving along on our historic main street. If anyone in the community is interested in starting a business and would like some training on setting up your own business, Bryan would like to talk to you and help arrange the training. You can contact him at [jobs.utah.gov](http://jobs.utah.gov) or call him at (801) 400-9935. This is not a "work from home" scam, but a service provided by the State of Utah.

*Mayor Nick Castleton*

# Only Half-a-House Fell Down Cavein

By CORINNE CARBETT  
DUTCH TOWN — The Tintic District is filled with many historical landmarks, but one of the most misunderstood is the "hole-where-the-house-fell-in," located south of Eureka.

The first noises from the cave-in were heard by family members, around 6 p.m. on July 21, 1922. According to Bertha Walker, sister to Bert Garbett, owner of the structure, the cause of the rumbling could not be found, so Bert, Ida, and their two children retired to bed.

Early the next morning around 3 a.m. they awoke to what they thought was a burglar at the back door. Urged by his wife to investigate, Bert discovered the culprit to be a large hole, 80 feet deep, where the kitchen and

adjoining utility room had caved in. If he had entered through the kitchen he would have fallen like most of the furniture into the opening. Two rooms on the front of the house were moved later that morning so that the home would not be a total loss. Like much of the area, the Garbett home was honey-combed underneath by a mine. The hole was a slope of the Bullion Beck caved up to the surface. The family belongings had been removed, the area was blasted and today some 52 years later a fence surrounds the 75 ft. wide by 600 ft. deep hole. Posted in bold red letters hangs a sign stating, "DANGEROUS, KEEP OUT."

THE LEGENDARY HOLE down which the house was supposed to have fallen into is shown here on the morning after the Bullion Beck Mine caved to the surface. This old picture shows how close the hole is to the

house. Note the old washing machine in the foreground. It had been removed from the house before the remaining kitchen fell into the hole.

# NOTICE OF MUNICIPAL ELECTIONS

Eureka City will hold a General Election on Tuesday, November 3, 2015, at the Eureka City Offices, 15 North Church Street, Eureka, Utah.

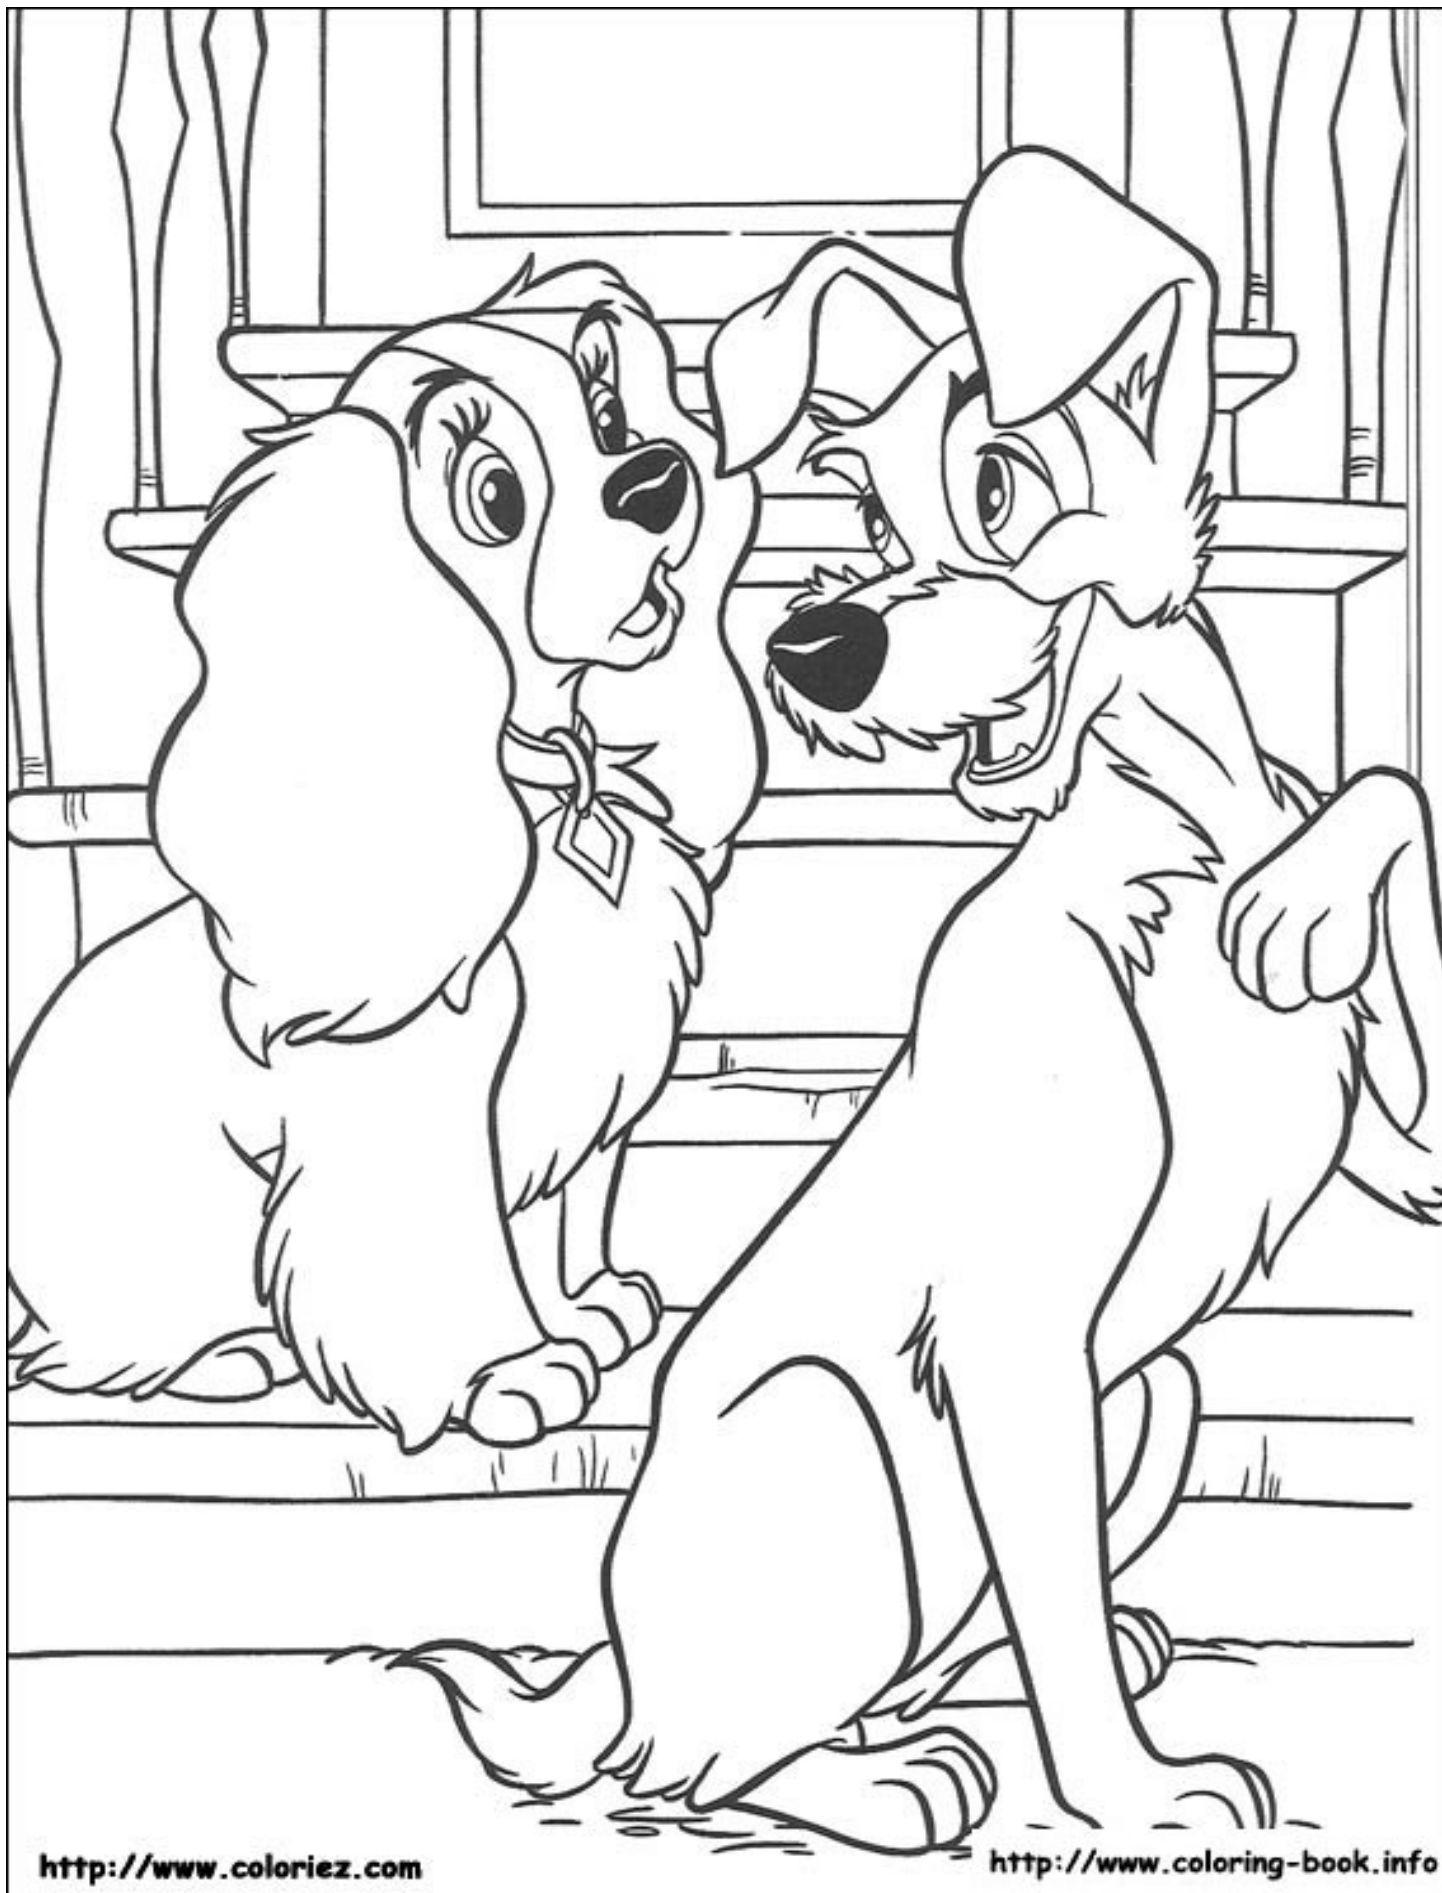

Municipal Offices to be voted on in the Eureka City Municipal Election on November 3, 2015:

(3) Three Council Members to serve on the Eureka C i t y Council for a four year term each.

Candidate filing period begins Monday, June 1, 2015. Declaration of Candidacy Forms or Nomination Petition must be filed in person with the City Recorder or Town Clerk, 15 North Church Street, Eureka, Utah during regular office hours Monday – Friday between the hours of 8:30 a.m. to 5:00 p.m. The Candidate Filing Deadline will be Monday, June 8, 2015 (UCA 10-3-301).

The polls will open on November 3<sup>rd</sup> at 7:00 a.m. and will close at 8:00 p.m. A person may not vote at any election unless that person is registered to vote as required by Utah Election Laws and must provide the proper identification.
